## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. The following is an examiner's statement of reasons for allowance:

Regarding claim 1, the prior art fails to teach a combination of the steps of:

wherein said node is further configured to (a) frame each of said packets received through said interfaces using a modified Simple Data Link protocol framing and (b) determine a reusability of each of said packets in response to a reuse bit in said modified Simple Data link protocol framing, in the specific combination as recited in the claim.

Regarding claim 16, the prior art fails to teach a combination of the steps of:

wherein (a) each of a plurality of nodes is configured to generate said frame on a network comprising said packets having a plurality of different protocols received through a plurality of interfaces, and (b) each of said nodes is further configured to (i) frame each of said packets received through said interfaces using a modified Simple Data Link protocol framing and (ii) determine a reusability of each of said packets in response to a reuse bit in said modified Simple Data Link protocol framing, in the specific combination as recited in the claim.

Regarding claim 23, the prior art fails to teach a combination of the steps of:

(ii) each of said nodes is further configured to frame each of said packets received through said interfaces using a modified Simple Data Link protocol framing and (iii) said nodes are further configured to determine a reusability of each of said packets

in response to a reuse bit in said modified Simple Data Link protocol framing, in the specific combination as recited in the claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
